**Steps to locate entry level positions:**

---

**1-** Go to this site: <https://ups.managehr.com/JobSearch.aspx>

**2-** Click on the **state** or enter a **zip code** for where you are looking for work.

OR

Click on the **division** you want to work.

- To find Part Time Package Handlers click on Package Handlers on the left side column and then selecting either the state or zip code you desire to work.
- To find Area Sales Manager, Sales Area Support Coordinator, and Part Time Hub Operations Supervisor click on professional and select California.

Hit **SEARCH!**

**3-** Your search results will appear. Not all listings have immediate openings.

- Look under the blue job title and it will say either current opening or accepting inquiries for future openings.
- If you don't see the position or location you are looking for it may not be available.
- Use the drop down menu at the top of the page to choice the exact position or location you are looking for.
- If you have a valid Class A Commercial Drivers License with Haz-Mat endorsement you will be qualified for a lot more positions.

**4-** When you find a position you are interested in and qualify for click Apply Now and follow the instructions to apply.
